Bill No. HB 212

Thursday, February 12, 2015

Barbara Jennings
Huson, MT 59846

Voice Mail Message: 8:07 am

My name is Barbara Jennings and I am calling to voice opposition to HB 212.

I am deeply concerned about a bill that would legislate definitions and descriptions within our Montana Constitution. I clearly remember voting on the amendment for traditional hunting and fishing in Montana and I was a vote "For." I did not vote for trapping. It does not say trapping so I do not feel the legislature should redefine that to say that. If that is to be part of the constitution we should go through the democratic process to allow the public their input. It is very concerning that a precedent should be set here to just have any legislature at any time decide to redefine things within our constitution which I think is abhorrent to have that much government override that the legislature could just redefine the constitution that's here to protect the public. I shall be appalled to see that bill pass.

I'm definitely in opposite to HB 212. Thank you.
